

Scene I

Spotlight on Puppets.

Little Lamb Wow! Hey, Little Worm, wasn't that nice? (Getting no answer, Little Lamb looks over at Little Worm, whose head is hanging.) Little Worm? Lit... Hey, What's the matter? Didn't you like it? You're the one who said that you just L-O-V-E music!

Little Worm (looking quite sad) Little Lamb, I'm just a worm.

Little Lamb Just a worm? What do you mean?

Little Worm I can't feed a multitude or fill a sea. How could God ever use me?

Little Lamb God has a plan for every one of us, Little Worm. He has a special plan for you, too! You just have to find God's will for your life.

Little Worm God's will? What does that mean?

Little Lamb God's will? Well, that's a special word that talks about His plan for us.

Little Worm God's will... what's the deal? How do I know He can use ME?

Lights up. Choir sings **Track 9**: "Can He Use Me?"
