

# Digestive Crossword Puzzle

**Instructions:** Use the clues to fill in the crossword with the correct digestive system terms.

## CLUES:

1. Small organ that stores bile made by the liver.
2. The opening at the end of the digestive tract where waste exits.
3. Muscular tube that pushes food from the throat to the stomach.
4. A sac-like organ that mixes food with digestive juices.
5. Where digestion begins—food is chewed and mixed with saliva.
6. Produces digestive enzymes and helps control blood sugar.
7. Digestion, nutrient absorption, and waste elimination.
8. Organ that makes bile to help digest fats.
9. Stores solid waste until it's ready to leave the body.
